

Hide and Seek
but when a player doesn't
move his location is
revealed to the seeker

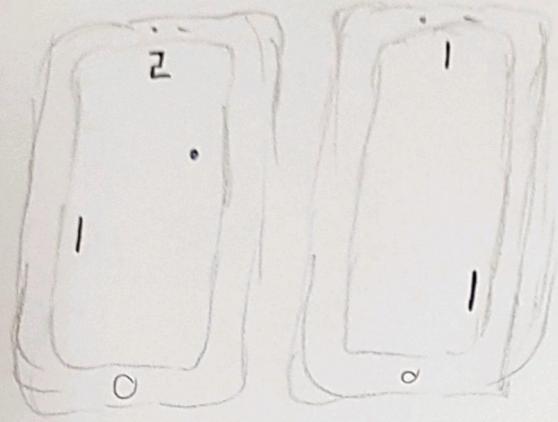

Race

both players have same distance and have to
reach the same goal

Multiple players pick a flower and
everyone else can vote which is the best

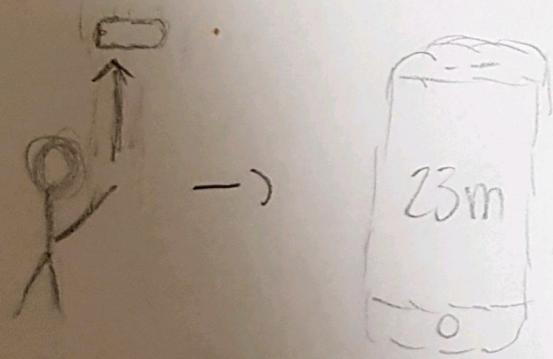

Two phones side to side
-> play Pong

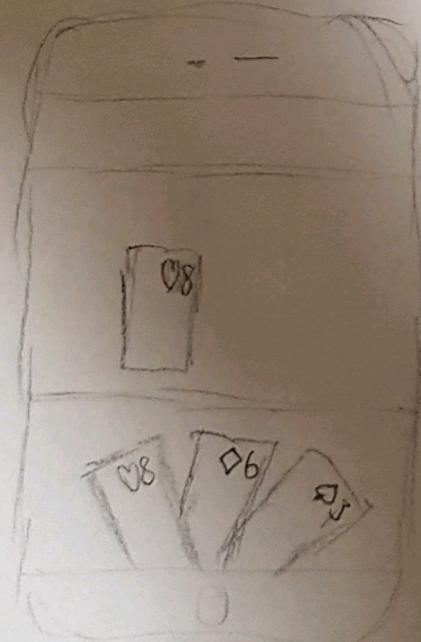

"Stille Post" over the phone
with multiple people

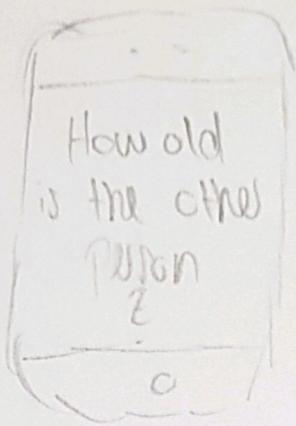

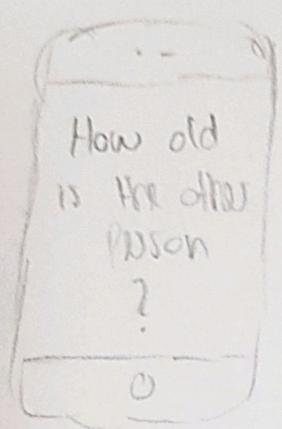

Speech-to-Text

Throw your phone in the air
and the phone measures how
high it flew. Compete with others
No guarantee for safety :-)

Play card games with AR
outside

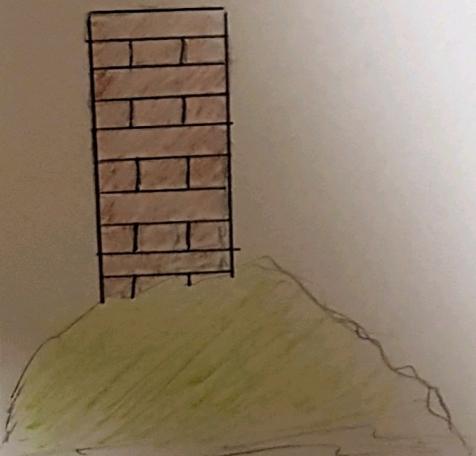

Answers questions
about other players
→ plays with more right
answers wins

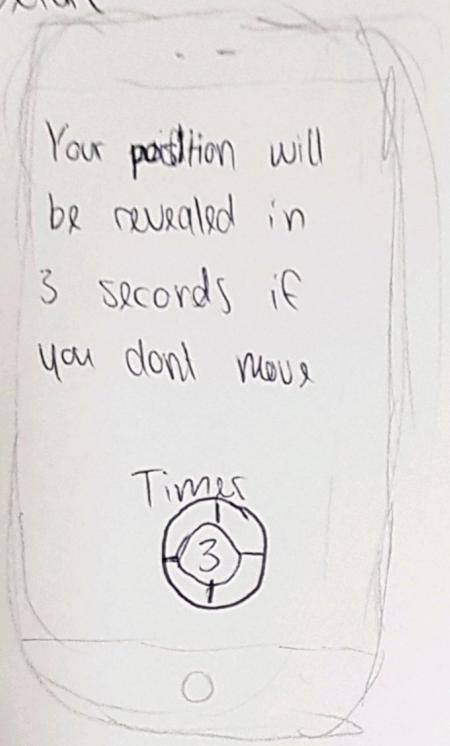

Friend sends a picture
and you have to guess
his location

Play Jenga with AR in real life/
outside
